

SHARING IS  
EASY.

# With shared branching, accessing your credit union account is easy.

There are thousands of CU Service Centers across the United States, so your credit union is never far away. Take advantage of many of the same services that are available at your home branch. You can make deposits and withdrawals\* on your account, as well as pay loans and receive loan advances.

For a complete listing of branches and hours of operation, call 800-919-2872 or check the shared branch locator at [www.cuservicecenter.com](http://www.cuservicecenter.com).

\*CU Service Centers may limit cash withdrawals to \$500 per day, regardless of your own credit union's limit.
